

OPEN ALU RIVET (STAINLESS MANDREL)

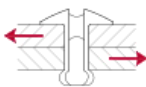

- The big head with EPDM washer is particularly beneficial for applications with thermal movement and also allows for better load distribution and sealing abilities.
- Dome head for an aesthetic finish.
- Available in more than 500 colors (QUALICOAT certified powder).

PRODUCT RANGE

Tensile

Shear

Body:  
Aluminium

Mandrel:  
Stainless steel A2

MG/PG	Item no.	Item name	Diameter (d1) [mm]	Length (L) [mm]	Drill hole [mm]	Head diameter (d2) [mm]	Head height (k) [mm]	Grip range (E) [mm]	Tensile / Shear load capacity* [N]
05 1090	10624	SNT DH AAX-BH 5.0 X 18 Ø14	Ø5.0	18	Ø5.1	Ø14	2.5	8.0 - 14.0	3000 / 2000
	19031	SNT DH AAX-BH 5.0 X 18 Ø14 EPDM							

\*The stated load capacity is characteristic and must be multiplied with all relevant partial factors and safety factors.
